To Whom it May Concern,

I am writing this letter in appreciation of work done by Shivansh Mittal for Nichefin Consulting Pte Ltd. Singapore.

Shivansh worked for Nichefin for a period of three months starting from May 15 to Aug 15, 2020 under my supervision. He has always demonstrated responsibility and entrepreneurial spirit. I understand that during his internship he was also enrolled in summer entrepreneurial classes offered by his university to further his knowledge.

Shivansh is a dedicated and a diligent student who is always alert, approachable and respectful towards his peers and seniors. I am pleased with his work on social media postings on LinkedIn and Facebook ahead of the webinars conducted by Nichefin, which grabbed the attention from a variety of stakeholders. Shivansh assisted me on start-up advisory projects and helped me in the preparation of pitch decks for start-ups and in doing financial projections.

He is quite passionate about business sustainability and enjoys problem-solving through his knowledge and ideas about sustainable businesses. I learned that he has bagged multiple awards in his college in case challenges and hackathons targeted at sustainability.

It's my pleasure to offer my unreserved recommendation for Shivansh Mittal for the suitable position that he may have applied for. I believe that he would definitely be an asset to your organization. I'd be happy to answer any questions or discuss my recommendation further.

Sincerely,

For Nichefin Consulting
